

RECREATION FUNDING

Funding sources for implementing recommendations in the Master Plan

PARKS AND RECREATION FUNDING MUST BE INCREASED

GENERAL TAX REVENUE

General Tax Revenues traditionally provide the principle source of funds for general operations and maintenance of municipal and county recreation and parks systems.

A PARK FOUNDATION

Typically creates funding strategies for generating funds to support park projects.

- Gifts
- Grants
- Long term endowments
- Land Trust for future acquisitions

12

GENERAL FOUNDATIONS

As a tier one county, Halifax is in a position to receive funding from a wide variety of public foundations and trusts

CORPORATIONS

May have funding through existing grant programs or would potentially be interested in creating a program or partnership for specific projects.
