

HALIFAX COUNTY POPULATION, CENSUS APRIL 1, 2010 WAS ESTIMATED TO BE 54,691

Parks and Recreation facilities should include both the youth and older populations.

- Black or African Americans makeup 53.2% of the population
- Whites makeup 40% of the population
- American Indians makeup 4% of the population
- Asians makeup .7% of the population
- Hispanic/Latinx/o/a make up 2.5% of the population

The Median Household income is \$31,614

The median income of Halifax County residents is significantly lower than many North Carolina communities; the level of poverty is greater.

RECREATIONAL FACILITIES SHOULD REFLECT THE DEMOGRAPHICS OF HALIFAX COUNTY
